Re: PRA Request

Dear Ms. Lopez:

In response to the questions from your PRA request dated May 5, 2011 I have compiled answers and documents to your requests.

1. Responding to your request for salaries from January 1, 2008 to January 1, 2011 for the following or equivalent positions: Deputy District Chief, District Chief, Assistant Deputy Fire Commissioner, Deputy Fire Commissioner, First Deputy Fire Commissioner, Fire Commissioner. The San Diego Fire Department's classifications are not the same as above. The salary for the Fire Chief is \$164,998, Assistant Fire Chief \$151,715, and Deputy Fire Chief is \$140,300. Please refer to the State Comptroller's website at <http://lgcr.sco.ca.gov/Default.aspx>. You will have access to the other classifications that may be equivalent to the ones you have requested.
2. Responding to your request for benefits information, please find the attached documents.
3. Responding to your request for overtime paid to employees who have retired between January 1, 2008 to January 1, 2011, the City's Comptroller's Office does not have responsive documents to this request, because you have not identified the retired employees. You may be able to obtain this information from the San Diego City Employees' Retirement Systems (SDCERS).
4. Responding to your request for the number of department-issued cell phones from January 1, 2008 to January 1, 2011. I am assuming you were referring to the Fire Department. There are currently 185 active cell phones for the entire Fire-Rescue Department.
5. Responding to your request regarding take-home vehicles, there are currently 60 take-home vehicles for the entire Fire-Rescue Department.

6. Responding to the "relevant policy" information regarding both the cell phones and vehicles, attached via PDF, please find the city's current guidelines and policies on cell phone usage and city-assigned usage during off-duty hours.

If you have any questions regarding this matter, please feel free to call me at (619) 236-7107.

Sincerely,

Haida Massoud-Mojdehi
